

# Campbellsville University 7 on 7 Team Camps

The main focus of the Campbellsville University 7 on 7 Team Camp is to provide a quality off-season teaching opportunity for a middle and high school coaching staffs and to create a highly competitive learning situation for their players. Offensive and defensive players will have an opportunity to improve their skills and techniques in a “pass only,” “non-contact,” controlled scrimmage situation.

Scores will be kept and there will be a camp team champion. Choose the Campbellsville University 7 on 7 Camp if you're simply looking for a chance to teach and refine your pass offense and your pass defense against some great competition.
